Freelance Translator

English – Urdu – French – Spanish | Freelance & Agency Translation

SUMMARY

Freelance translator with 5+ years of experience delivering accurate, culturally sensitive English–Urdu translations, with additional working proficiency in French and Spanish. Experienced across agency and independent projects, managing full translation workflows from source-text analysis to final proofreading. Known for reliability, strong client relationships, and consistently meeting tight deadlines without compromising quality.

EXPERIENCE

Freelance Translator

2023 – 2026

IN ITALIANO

On-site

- Deliver English–Urdu (and French/Spanish support) translations on-site for a European client base, covering business correspondence, marketing content, and general documentation.
- Managed multiple concurrent freelance projects independently, consistently meeting client deadlines while maintaining translation accuracy and tone.
- Built long-term working relationships with repeat clients through dependable turnaround and consistent quality.
- Adapted translations for cultural context and regional language nuances to ensure natural, accurate communication.

Translator

2022 – 2023

Blue Sky Translations

Remote

- Translated a wide range of documents between English and Urdu, including business, administrative, and general correspondence materials.
- Collaborated with editors and reviewers to refine translations for clarity, tone, and consistency before final delivery.
- Maintained organized records of translated materials and terminology to ensure consistency across projects.
- Consistently met project deadlines while handling multiple assignments in parallel.

Translator

2019 – 2022

AVANTI PAKISTAN

Remote

- Provided English–Urdu translation services across a variety of document types, building a strong foundation in professional translation practice.
- Worked closely with clients to understand context and intent, ensuring translations remained faithful to the source material.
- Developed strong proofreading and self-review habits, contributing to a consistently high standard of accuracy.
- Gained hands-on experience managing translation projects end-to-end in a fast-paced freelance environment.
